

At Knightsfield our students learn to **A**chieve their goals, **B**elieve in themselves and **C**ommunicate in the world.

Achieve

We empower our students to achieve their educational goals through aspiration and broad and unique learning opportunities by delivering a diverse curriculum for all.

Believe

We support and nurture our students' wellbeing to believe in themselves, be secure in their own identity and embrace differences, whilst being inspiring role models for others.

Communicate

We encourage our students to develop the skills to communicate and become happy, independent and successful citizens in both the Deaf and hearing world.
