

16-19 Bursary Fund Policy 2023 - 2024

What is the 16-19 Bursary Fund?

The 16-19 Bursary Fund is money that the government provides to support students who face the greatest barriers to learning, and need financial help to stay in education. Bursaries can only be awarded to a student who meets the eligibility criteria and who is facing genuine financial barriers to participating in education.

Further national information about the 16-19 Bursary Fund can be found at:

<https://www.gov.uk/1619-bursary-fund>

This policy sets out the arrangements that Knightsfield School uses to prioritise and administer the 16-19 Bursary Fund in the 2023/24 academic year. All enquiries regarding applications to the fund should be addressed to the School Business Manager, Mrs L.Pope.

1. Qualification criteria for a guaranteed (vulnerable) bursary:

A **Vulnerable Bursary** can pay up to £1200 a year. It is for students in one of the defined vulnerable groups listed below who are unlikely to receive financial support from parents/carers. Benefits must be in their own name, not their parent/carers. It includes:

- Students in care or who have recently left local authority care
- Students receiving Income Support or Universal Credit because they are financially supporting themselves
- Receive Disability Living Allowance and either Employment and Support Allowance (ESA) or universal credit
- Receive a Personal Independence Payment (PIP) in their own name and either ESA or Universal Credit.

The school can pay a bursary to a vulnerable group student of more than £1200 if they are assessed to need extra help to remain in education. Any payments over £1200 must be paid from the school's discretionary bursary allocation or from the school's own funds.

Evidence of eligibility is required to prove the student is in receipt of the specified benefits in their own name and/or they meet the definition for in care/care leaver. This could be a letter or an email from the Care Services Department of their local authority, a copy of their Income Support or UC award notice, evidence of receipt of Disability Living Allowance or Personal Independence Payment.

The amount that can be given depends on the costs the student may have and what they may need for their course. This may include lunch, money for books, equipment or travel costs to school/college

2. Qualification for a Discretionary Bursary

Students (other than category 1) who need help to stay in education, can apply for a Discretionary Bursary. It is a discretionary amount. This award is to help a student with the costs of travel, to buy essential books and equipment or specialist clothing,

There are 3 grades to the Discretionary Bursary. Students and/or their families must meet one of the following criteria to be eligible to apply to the fund:

1. For those with a household income of £16,000 or less an application can be made for financial help towards, for example, transport costs to school; school meals; educational visits; essential books, equipment and specialist clothing.
2. For those with a household income of £16,001 and £21,000 an application can be made for financial help, however awards will be lower to those eligible in category 2.1.
3. For those with a household income of between £21,001 and £26,000, an application can be made for financial help, however awards will be lower than 2.1 and 2.2.

The Discretionary Bursary amounts available to apply for are subject to availability of funds.

Acceptable supporting evidence for the **Vulnerable Bursary** will be either:-
