

# Geography

## Links:

For Key Stage 2 and 3 pupils follow the National Curriculum. For Key Stage 4 pupils undertake AQA GCSE Geography

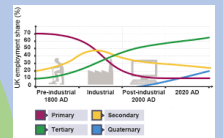

GCSE EXAMS

EXAM REVISION

Pre release material

Issue evaluation

What is desertification?

How is desertification managed?

What are tropical rainforests?

What are the World's biomes?

The changing economic world

What is development?

Strategies to reduce the development gap

What are the impacts in Nigeria of rapid economic growth?

How has the economic structure of the UK changed?

YEAR 11

The Living World

River or coast fieldwork enquiry

What is fieldwork enquiry?

Urban change in the UK and sustainable management

Fieldwork Skills

What are the challenges and opportunities of urban growth in LICs / NEEs?

What is urbanisation?

YEAR 10

The challenge of natural hazards

What are the effects of tectonic hazards?

What is the GCM?

What are the impacts of tropical storms and how can they be reduced?

How is weather in the UK becoming more extreme?

Urban issues and challenges

How can the effects of tectonic hazards be reduced?

What are tropical storms?

How is global food supply sustainable?

An overview of resources in the UK

What are the global demands for food, water and energy?

The challenge of resource management

How are rivers managed?

What are the erosional and depositional landforms of rivers?

River Processes

Management of coastlines

What are erosional and depositional features of coastlines?

What are the main features of different coastlines?

What are waves?

YEAR 9

The physical landscapes of the UK

What are uplands and lowlands?

What are the geological variations in the UK?

Coastal processes

Where do volcanoes earthquakes happen?

What are Earthquakes?

What are Volcanoes?

What are Tsunamis?

Volcanoes and Earthquakes

Sustainable city project

What is rural to urban migration?

What is development?

What is the world's population?

Population, urbanisation and development

What is river pollution?

What is river flooding?

How does a river change?

What are the World's major rivers?

Rivers and Flooding

Africa and Asia

Introduction to Africa

Kenya compared to the UK

Introduction to Asia

Asia Case Study - Japan

YEAR 8

What can we do about global warming?

What is a hurricane?

What are tornadoes?

What is temperature and climate?

Why does it rain?

What is weather?

Weather

What are GIS and how do I use them?

Fieldwork Skills

Map skills

What is Physical and Human Geography?

Introduction to Geography

YEAR 7

Holding back the flood

How do we use rivers?

What is erosion and deposition?

What are the rivers of the world?

Where does our water come from?

Raging Rivers

How do I plan a route using an Atlas?

How do I plan a route using a map?

What are the compass points?

How do I use symbols on a map?

How do I use an Atlas?

Map Reading Skills

YEAR 6

Human and Physical Geography

Where does all of our stuff come from?

Locational Knowledge

Journeys: Trade

Geographical skills and fieldwork Place Knowledge

Locational Knowledge

Where should we go on holiday?

YEAR 5

Changes in our local environment

How is the UK changing?

Human and Physical Geography

Alpine Regions

Locational Knowledge

Geography Skills:

Geography skills will be assessed and developed in all lessons throughout Key Stages 3 and 4. The colour code indicates where these skills are specifically targeted.

Location and Places (AO1)  
Demonstrate knowledge of locations, places, processes, environments and different scales.

Understanding (AO2)  
Demonstrate geographical understanding of:  
• concepts and how they are used in relation to places, environments and processes;  
• the inter-relationships between places, environments and processes.

Analysis and Interpretation (AO3)  
Apply knowledge and understanding to interpret, analyse and evaluate geographical information and issues and to make judgements.

Fieldwork and Investigation (AO4)  
Select, adapt and use a variety of skills and techniques to investigate questions and issues and communicate findings.

Word Aware  
The key words for each topic are given to pupils to help their learning
